LIVE PEST CONTROL OUTLET

Just Green is opening the first retail outlet dedicated to Natural pest control and Natural gardening products. Customers will be able to purchase live pest control such as Slug nematodes and predators for insects like Red spider mite and Greenfly. They will also be able to choose from a wide range of other natural gardening products, many of them produced on site at the Burnham-on-crouch facility including Wildlife habitats, Composters and Gardening tools.

The new retail centre will open on February 26th.

NEW 07 BROCHURE LAUNCHED WITH EXTENSIVE NEW "GREEN" RANGE

The new 07 brochure from Just Green is now available. Our philosophy of our caring for the environment now reaches from the garden to the house, with many new exciting new product ranges including; Natural Homecare including non-toxic Cleaners for the house, Natural Body care including organic skincare and sun tan lotions, Green energy including Solar Lanterns and Torches and the most extensive selection of Natural pest control products.

Call 01621 785088 for your free copy or view www.just-green.com and download a copy saving on paper. Just Green is also not using polythene wraps for sending out its brochures, to reduce the impact on the environment and landfill sites.
